## *THE WATER ICE FACTORY*

ALL NATURAL FROZEN HEALTHY  
COLD TREAT

This is to introduce to you a very special cold gourmet taste treat only found in and around the city of Philadelphia. This gourmet taste treat has been around for years, but unlike the Philly cheese steak and the Philly soft pretzel, this was and still is one of Philadelphia's most valued secrets as well as being one of it's most enjoyed city products. Water ice is served in all the stadiums in and around Philadelphia and the owners have sold water ice in Six flags Great Adventure in New Jersey, the largest of the Six Flags chain. and has been endorsed by the Houston rockets training staff, for Houston's NBA and WNBA players.

## *THE WATER ICE FACTORY*

The *Factory's* Water Ice is made with real fruits and fruit puree with bits and pieces of fruit added. Bursting with great flavor from the 1ST spoon to last drop, it's the coolest and most refreshing treat to come west of the Delaware river. When maintained at the right temperature Water Ice keeps it's soft, smooth consistency. So when the ol' mercury starts to rise, *TWIF's* Italian Water Ice is the best cold treat you can have. *THE FACTORY* uses filtered water, is 100% all natural, no sodium, no cholesterol, and no fat. I guarantee that shaved ice or cold taste treats that lose their flavor before you finish will be a thing of the past. *TWIF's* Gourmet Water Ice will leave you smiling. If you want a good healthy treat for you and your family, *THE WATER ICE FACTORY* can fill the bill. With locations coming to the Houston area The *THE WATER ICE FACTORY* sign means great taste and great service.

## *The FACTORY's service*

The Water Ice Factory would be happy to set up a meeting so that you may taste *TWIF's* Philadelphia Italian Water Ice. We know that when your customers taste *TWIF's* Italian Water Ice, they will be very happy. On the back you will find a list of flavors that we carry. We are also proud that *TWIF* is one of only a few that have diabetic flavors for your customers. We have a number of ways we can serve you, but one thing we are sure of is that you will not lose with this in your venue.
